

Web Hosting Set-up with Host Nine

Requirements:

You will need to have a unique domain name chosen, a valid permanent email account and be prepared to pay for the entire year of web hosting (best savings when you pay for the entire year. About \$85 annually) and about \$13 for the domain name. Remember to renew your domain name every year.

First visit <http://www.hostniner.com> ,
Click on the "SIGN-UP" Orange button.

Select, "I want Hostnine to register a new domain n name for me", "Click to Continue".

Select the domain name you want. There will be additional domain extensions like .net, .org, etc. if you want to register more names. "Click to Continue".

Review your hosting plan (Shared Hosting - Unlimited plan) and select your billing cycle (annually has the best savings)

Choose the web site server location. Choose which ever is closest to you, "Update Cart".

Additional options like ID protection are optional. ID protections keeps your email address unlisted on the domain name (whois) listing.

Complete payment.

You will receive a "Welcome Email". with all your login information withing 24 hours,
